Fees Not Paid

While the School is supportive of families who find themselves in difficult circumstances, the School rigorously follows up on all overdue accounts. The School reserves the right to appoint a debt collection agency or to take legal action for the recovery of fees not paid. This will be done where reminder notices are persistently ignored, or arrangements are not made with the School to pay overdue accounts. All expenses, costs and disbursements incurred by the School in recovering any outstanding monies, including agency fees and solicitor costs shall be charged to the family account. The signed Enrolment Form accepting a place at the School is a binding legal agreement with the School to pay these expenses, costs and disbursements and indemnifying the School in relation to such monies is a condition of a student's enrolment.

Insurance

Students at the School are covered by the Catholic Church Insurance Students Accident Insurance Policy. This policy provides a limited cover only (excluding all Medicare services including the Medicare gap).

Student Withdrawal

The School defines Due Notice of the withdrawal of a student as requiring at a minimum, a full term's notice as communicated in writing to the Principal. If due notice is not provided, one term of the current annual tuition fee will be incurred. Student Departure Forms are available from the front office.
