

ST THOMAS'
PRIMARY SCHOOL
Educating the whole child

Monday 27 May 2024

Dear Parents and Caregivers

We are delighted to inform you that St Thomas' Primary School will be participating in the **International Competitions and Assessments for Schools (ICAS)** Assessments again this year.

What is ICAS?

ICAS is an online academic competition that gives students the opportunity to challenge their higher order thinking and problem-solving skills in English, Mathematics, Science, and Digital Technologies.

Every student who participates is celebrated and recognised with a printed certificate in each subject area, and an online results report to track development each year. Top performers are eligible for one of the highly coveted ICAS medals.

Students from Years 2-6 are eligible to enter the ICAS Competition.
